

United States Government

“The future and success of America is not in this Constitution, but in the laws of God upon which this Constitution is founded.” - President James Madison

Course Description

This course will evaluate and exam the founding principles, founding documents, and current systems of our American Government. This course will also exam the truth that the United States of America was founded by men who honored and believed in God and His word and patterned a government after the truths, morals, and principles found in the Bible.

Textbook

American Government
